INNOVATION COMPETITION II

Britain has been the world's most innovative country for centuries and ideas have made it Great. Today, we need them more than ever.

Three local Rotary Clubs; Canterbury Rotary Club, Canterbury Sunrise and Forest of Blean, together with the Kentish Gazette and Kent Innovation & Enterprise at the University of Kent are running the second annual Innovation Competition for new ideas that is open to all secondary school pupils in Kent.

THE IDEA

- Must be aimed at improving life in some aspect.
- May relate to any area of the human or natural world, technical, organisational, artistic or otherwise.
- Must be feasible and have a degree of practicality, but need not be completely novel nor completely worked out.

For more information go to www.rotarycanterbury.org.uk/innovationcompetition
deadline for entries: 31/3/15
