International Committee

The International Committee have submitted a District Grant Application for a Midwifery Project in the Tigray region of Ethiopia – this is part of the Health for All Charity in Bridge. We have asked for \$870 as a Rotary Grant and we would have to match that out of our own funds.

Our earlier District Grant for an Apprentice Training Project in the Lire region of South Sudan has been completed and we now have to submit a report on this job creation scheme which trains bricklayers and masons to show the outcome.
