## **Top Choir Kent – champagne reception and concert Saturday, 28<sup>th</sup> March**

This year's Top Choir Kent has a slightly different format from previous years. It will not be a competition, but rather a celebration of choral singing. Seven choirs will be taking part, including winners from previous years, so the standard should be extremely high. One innovation is some audience participation 'helping' to mark the 50<sup>th</sup> anniversary of the Beatles Help album.

Tickets now available from Stephen Thompson, so get in quick for this popular event!

As a prelude to the concert, the Club will be holding a **champagne reception** in the School Room, beside the Mint Yard Gate, costing a mere £10. The tickets for this will go quickly, so if you would like to attend, please drop an email to Peter Hermitage as soon as possible.

### **Future Dates**

**Tuesday, 14<sup>th</sup> April** - Concert at Cadogan Hall, 7.30pm, including rehearsal if wished at 3pm. Contact Nan Miller for further details.

**Sunday, 19<sup>th</sup> April** – Bike ride organised by Chestfield Rotary Club in aid of Air Ambulance. Contact Brian Dobinson or the President if you would like to take part.

**Tuesday, 12<sup>th</sup> May** – Inner Wheel visit to Valloires in Northern France to visit beautiful gardens. Contact Pauline Pritchard if you would like to join in.

### **Rotary News**

The Business Meeting on 3<sup>rd</sup> March will be an introductory meeting for potential new members.

Please invite any friends/acquaintances who you think would enjoy being Rotarians. There will be brief presentations by committees on their work to inform guests on what being a Rotarian involves.

### **International Committee**

The committee has given £500 to Aquabox from the raffle held weekly. A steering group has been set up to manage the Joint Pentangular Project in South Sudan, consisting of Margaret Griffin, Robert Boyd Howell and Tony Pomeroy. The project will cost \$40 000.

### **Attendance at Meetings**

Members can claim an attendance if they have attended a meeting at another Rotary Club or a committee of this Club. In order to record this attendance, the attendance sheet signed by all members at meetings will have a column added in which these extra attendances can be registered.

Peter Hermitage  
Chairman, Club Service Committee

### **Table Numbers**

Please remember to take a table number out of the bag when you sign in at a Rotary meeting, and then sit at that table. This ensures that members mix freely with others and enjoy the fellowship that is such an important part of Rotary. Leave the number on the table to be collected at the end of the meeting – please do not take the number home!

### **Attendance**

The attendance figures for November last year were 65.45%, and for December 64.88%. From July to December last year, 45 members – 72.5% of the Club - achieved over 50% attendance.

The month of Feb is somewhat queer  
It has an extra day every 4<sup>th</sup> year  
It also has shrove Tuesday when you can  
Cook your pancakes in the pan  
It also has 7 birthdays which I can view  
Which I am now going to share with you

The first one I note from all of this  
Is someone providing an Accountancy service  
Its important to provide him with all the facts  
So that he can accurately work out your tax .  
When much younger he did revel  
In playing Rugged at a very high level  
In recent years on the sporting scene  
He plays golf to a handicap of thirteen  
As you can hear he's a sporting hit  
Is he competitive? just a bit  
I'll no longer keep you in the dark  
I'll reveal his name it's Roger Clarke

For several years he helped to forge  
Very close ties with Archbishop George  
More recently he did aspire  
To receive an award of a Paul Harris sapphire  
There is just one more thing for me to say  
David Naumann happy birthday

Doctor what is this op all about  
Please don't worry I'll be putting you out  
What i'll be doing to stop any pain  
Is putting a needle into your vein

If I'm questioned I will not shrug  
But will make sure I give you the right drug  
When it's over and you're pulling through  
You can sing to John Bobba Happy Birthday to you

Number 4 this month I bring to you  
Is a Rotarian that wants the size of your shoe  
He'll measure you up and then will try  
To find a pair for you to buy  
He's been in Rotary for a very long time  
In actual fact years of forty nine  
For his commitment and service across the board  
In two o seven he was given a Paul Harris award  
If your shoes now fit and you want to pay  
say happy birthday to Roger Bickerton on the way

When I opened my book and took a peep  
I saw a writer and lecturer that earnt her keep  
Two 0 seven became a year to remember  
When she became our very first lady member  
I'll finish this little verse off in style  
And say happy birthday to Marjorie Lyle

The next name that comes right to the fore  
Is a Rotarian that studied the law  
Since Transferring from Rugby a few years ago  
He's been actively involved in all things we do  
I'm sure that everyone at this meeting  
Would like to give Brian Dobinson a birthday greeting

The last name today that I bring to you here  
Is one that worked as an engineer  
In local government he worked intense  
To protect local residents with a sea defence  
In retirement he enjoys to ride  
His cycle in the countryside  
On the golf course he's also keen  
playing to a handicap of eighteen  
There's no more information for me to give  
Except to say Happy Birthday President VIV
