Rotary News

Do remember that contributions to the Food Bank are always welcome, and Bob Anderson is still looking for Tools for Africa.

International Committee update

The International Committee has given a grant of £500 to the Ethiopian Midwifery Project run by the Health for All charity. Nicky Morgan, a local midwife, gave an interesting talk to the club recently and we thought the project worthwhile. We also gave £250 towards mosquito nets for the children's ward in the local Ethiopian Hospital.

We are investigating how best to get involved with Bikes 4 Africa, a charity which renovates second hand bikes which are then sent to Africa. The local Operation Sunshine charity is already working with Bikes 4 Africa and we are looking at how we can get hold of second hand bikes ourselves.
