Rotary Club support Cycle India challenge

With only a few weeks to go until he sets off for India on 3 November, Tony Meire, Chair of the Trustees of the Kent MS Therapy Centre in Canterbury, took a break from training to receive a cheque for £500 from The Rotary Club of Canterbury towards his sponsorship. Accepting the cheque from John Hill, Chairman of Community Service, Tony said: "It is not easy for any charity to raise funds in the current climate and I am extremely grateful to the Rotary Club for their support and this very generous donation towards our goal of raising £20,000 for the Therapy Centre".

Traversing Rajasthan in northern India, the challenge takes the cyclists on a 5 day event along the Aravali mountain range, through tribal villages and the Ranthambore National Park, culminating with sunset at the Taj Mahal.

To sponsor Tony visit his website: www.virginmoneygiving.com/antonymeire or contact him at antonymeire@aol.com.
