“Whodunit” a comedy thriller by Alfred Shaffer

“Six strangers and a butler have gathered for a black-tie dinner at a wealthy lawyer’s mansion during a thunderstorm. The guests include an aged admiral, a bitchy aristocrat, a doddering old archaeologist, a dashing young cad and other Agatha Christie types. One of the guests is an oily Levantine who tells the others (each in private) that he has good reason to blackmail them. He is ripe for murder and so it happens. Whodunit ?”
