Rotary News

Do remember that contributions to the Food Bank are always welcome.

Contact **Mark Rosen** if you would like to help.

Bob Anderson is still looking for **Tools for Africa** – this can also include gardening tools, plus dressmaking equipment, such as sewing machines, zips and buttons.

International Committee update

The International Committee has joined with Chestfield Rotary Club on a jointly funded project in Tanzania to build a water-harvesting tank to provide clean water for vulnerable and disadvantaged street children. We hope we can develop more co-operative projects after this.

We have recently given £750 to Aquabox for which money is raised in the weekly raffle.
