

ROTARY CLUB OF CANTERBURY
PROSTATE CANCER AWARENESS DAY
SATURDAY 23RD OCTOBER 2010

Working Party

David Barton (Chairman), Gill Dixon, Roger Power, Barry Rice

Aims & Objectives

- 1. To increase awareness of the symptoms of possible cancer of the prostate in men over the age of 40.**
- 2. To support the work of the Prostate Cancer Support Association Kent (PSA). This is a local organisation offering support to men suffering from cancer of the prostate.**

Methods

- 1. Mr Gerry Costa of PSA will address the club on the work of his organisation at the meeting on Tuesday 12th October.**
- 2. The President would like a report of this meeting to appear in the Kentish Gazette on Thursday 21st October to advertise it to the public.**
- 3. The club will distribute information on Prostate Cancer in Boots and the surrounding area of Whitefriars on Saturday 23rd October from 10.00 hours to 15.30 hours. David Naumann has kindly negotiated this date with the management of Boots and Gill Dixon will consult with him regarding approaching the management regarding setting up our display. Members of PSA will be present to give advice to the public as required. It is proposed to have collecting buckets available for any donations to PSA available in Boots. The President would like Martin Ward to handle publicity after the event. Roger Power will co-ordinate the attendance of club members on the day.**
- 4. The President has approached the Lord Mayor to seek his support on the day.**
- 5. After the event any further action will be considered.**
