f. Archivist issues – Alan Forrest

No immediate issues. MW highlighted two important aspects of future archive activity. Firstly, he outlined his intention in his Presidential Year (2016-2017) to form a 'Centenary Committee' to start planning for the club's centenary in 2022; the club's archives will play a central role. AF said he will contact Harold Young's grand-daughter regarding her family's archives, in particular those relating to when Harold Young was President of RIBI and took part in funeral of Paul Harris.

Secondly, 2017 will be the 70<sup>th</sup> anniversary of the relationship with St Quentin as a Contact Club. MW intends to include this in the 2017 Pentangular. Again, the archives will be central.

Both the Club's Centenary and the St Quentin 70<sup>th</sup> will be standing agenda items for the foreseeable future.
