(by email – no actual meeting)

Minutes

1. Present (via Email): SJ(Chairman), KB, RD, AF, MG, WJ, DL, RV, BW, IW.
2. Apologies:
3. Minutes. The minutes of the meeting held on 18th January were agreed.
4. Registrar. Club attendances were: January 61.61%.
5. Dining. Still struggling with the EMS and therefore issues with booking numbers continues. Service has been poor and complaints received increased, although some weeks are good, all comments have been passed on to the caterers. From now on the caterers require special orders for vegetarians and it is therefore important that we ascertain if the speaker requires vegetarian and whether they will be accompanied. Valentines evening had mixed reviews and in the main service was not brilliant.
6. Stewards – List has now been created to cover March, April and May.
7. Speakers Programme – Speakers are covered up to the end of March, still need to find someone to assist Brian during the summer months.
8. Website. Consideration is being given to a possible away move from Extra Digital, should they not be able to resolve the EMS and should they not respond to emails, etc., quicker.
9. Almoner. No report to give, all well at the moment.
10. Newsletter. The March issue had been drafted.
11. Membership and Mentoring. There were no new applications for membership. Rotation of new members around committees was continuing and a mentoring meeting booked for the 6th March 2017.
12. Archivist. Nothing to report this month.
13. Safety Issues. Nothing to report this month.
14. Date of Next meeting: Wednesday 22nd March 2017 at the Kent & Canterbury Club (6 pm).
