  - MG feed-back on current situation:
    - A new Headteacher has been appointed. 3/30 Teachers are women (consistent with the aim of educating girls to undertake roles in SS society.). The School is conducting a 1 year Pilot called "Teach First" to train teachers on behalf of the South Sudan Government. For the 3<sup>rd</sup> year running (i.e. the life of the Project) all of the year group were successful in the School Certificate, one student was top National achiever and 3 gained free scholarships to study in Ankara University, Turkey. For the first time, Sport is on the Curriculum. An established Interact Club operates and Juba, meeting during Security Curfew, has a responsibility to develop other Rotary Clubs nationally. MG explained the precise allocation of the 103,000 dollar Pentangular Budget was dependent on the inflationary development of the Economy.
