

Rotary Club of Canterbury

Club Service Committee

Minutes of a meeting held on 22 January 2019

Present: NF(Chairman), KB, AF, DL, JR, RV and RT

1. Minutes.

The minutes of the meeting held on 20 November 2018 were agreed.

2. Corporate Membership

It was agreed to refer this concept to Membership Committee so that the implications for the club could be explored. There was a need to decide which organisations should be approached about Corporate Membership. It would be necessary to get club members to agree this scheme

3.Registrar.

Attendances were improving: October 54 %; November 64%; December 67%. An analysis by Ken of individual attendances showed that 41 members had attended 50% or more. Of the remainder 4 were excused attendance, and the others had employment, health or other reasons.

NF thanked Ken for his very useful analysis.

There was a discussion with regard to that 18 members had an attendance of less than 50%. All felt that it would be useful if we now start publishing more details on some of our keynote speakers and e mail encouragement for attendance. AF to do some notes for future speakers for RBH to issue to all Club Members.

4. Almoner.

Necessary contacts were being made.

5. Newsletter.

Newsletter in preparation.

6. Speakers Programme and Cluster Meeting.

Speakers programme going well and additional speakers can be got from local Rotary Clubs if required.
