

ROTARY CLUB OF CANTERBURY

HEALTH & SAFETY POLICY FOR 2022/23

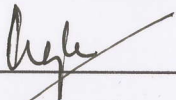

General Policy Statement for activities undertaken by the Club

I will ensure, so far as reasonably practicable, that-

- Health and safety measures are in place; hazards are identified and adequately controlled.
- Club members are consulted on matters affecting their health and safety.
- Plants and equipments are used correctly and properly maintained.
- Safe method of handling and using of hazardous substances are provided.
- Members are provided with training, instructions, information and supervision to ensure that members are competent to carry out the activities safely.
- Personal protective equipment (PPE) is provided to members and others (general public) to prevent accidents and injuries.
- A healthy and safe environment is provided and maintained.
- This policy is reviewed and revised as necessary annually.
- The Committee organising an event will audit the health and safety policy and risk assessment of outside contractors or organisations involved in that event.
- Health and safety policy and risk assessment submitted by the contractors or other organisation for any event shall be 'job specific' and approved by the President/Safety Officer.

This policy statement shall be read in conjunction with the Health and Safety Guidance 2018 and the Clubs health and safety responsibilities.

To be signed by the Officer who has overall responsibility for health and safety

President 

Safety Officer 

Next revision date January 2022
