Canterbury Rotary Club
Increase in meal costs
August 2019

Subject: Dining cost increase from £15.50 to £16

We have received a notification that our Dining costs will now increase to £16, an increase of 50p per week. This has been agreed by Club Service.

You will appreciate that it is not only the cost of the meal that we are paying for, but also the 'hire' of the venue, that also includes time for the numerous meetings that we have there. We are also paying for the staffed bar.

Whilst nobody likes to see a pay increase, I feel that we are getting a good deal.

Regards

Neil
